

DESCRIPTION

TOTUM H-14 is perfectly suited to remove water-soluble and greasy soils from all pigmented leathers. The leather cleaner can be used when other cleaners do not work to remove superficial soils-especially those soils or stains based on greasy or oily substances from prolonged use.

BENEFITS

- Its eco- friendly and organic product.
- It has a fresh and unique natural fragrance of pure essential oils.
- It moisturizes and promotes flexibility leaving your leather feeling and looking beautiful.
- It penetrates into the leather's pores to PROTECT from UV Rays, Bugs, Dirt, Grime etc.
