

DESCRIPTION

Carpet Shampoo is a clear Organic liquid detergent that is based on solvent and essential oils designed for carpet wash. It's a blend of non-ionic and anionic organic detergents with a special water miscible solvent to enhance rapid penetration and removal of oils, fats, grease and other organic soils from both natural and synthetic fibres.

BENEFITS

- Its eco- friendly and organic product.
- It has a fresh and unique natural fragrance of pure essential oils.
- It Removes deeply embedded soils.
- Leaves no tacky residue which can lead to resoiling.
