

LIQUID H-10 DETERGENT

Packaging: 1liter / 5liter

ORGANIC

Benefits & Fragrance of essential oil

DESCRIPTION

Totum's laundry wash liquid formulated for mild on skin and perfect for washing clothes of babies and people with delicate skin. It is light on environment and fully bio-degradable, in fact the water after washing can be reused for gardening as there are no chemical grey elements. Totum laundry wash liquid detergent is completely free from sls, sles, sulphates, phosphates, artificial fragrance, artificial colour, bleach and optical brighteners. Foaming agent in detergents are harsh chemicals that irritate skin, damage fabrics and pollute river and lakes. It contains 'saponin' - a natural foaming agent extracted from soapnuts. Maximum Shelf Life 24 Months.

BENEFITS

- The liquid detergents completely dissolve in water, therefore they do not accumulate in the textile fibres.
- It's an Organic solution with fragrance of essential oil.
- The liquid laundry detergents are completely water-soluble, therefore they have higher efficiency.
- Products have favourable effect on the washing machine because they are made on the water base and do not contain hard ballast substances.
